Víctor González

Composer, producer and guitarist

Valencia, Spain · remote · victorzinho@gmail.com
music.victorzinho.es/en · youtube.com/@vicgonco

Composer with a degree from the Conservatorio Superior Joaquín Rodrigo, premiered by the Cor de la Generalitat Valenciana and Antara Ensemble. I produce orchestral mockups and recordings, and for more than a decade I played guitar and keys in choir concerts, writing the band parts and handling the logistics. More than fifteen years of software engineering under real deadlines taught me to deliver on the date.

Works

Kissed by God · Piano, video and electronics (7') 2024

- Premiered at Auditorio de Rafelbunyol

Turbulence in circles · Orchestra (8') 2023

- Mockup

Ancho es el mar · Female choir (4') 2022

- Premiered by Cor de la Generalitat Valenciana, Palau de les Arts, Valencia

Ese Mi parece un Mi♭ · Fretless electric guitar and electronics (8') 2022

- Studio recording

Gravitational kook · Ensemble (8') 2022

- Premiered by Antara Ensemble, Museu de les Ciències, Valencia

We fade away · Orchestra (9') 2021

Production

Yo mataré miedos por ti · Musical 2026 – present
Producer

- Recording to stage the musical without live musicians, from the composer's scores
- MIDI programming (piano, percussion, solos), editing and mixing

Performing

Virelai · Orfeó Veus Juntes · Youth and amateur adult choirs 2011 – 2022
Guitar and keys; band arrangements

- Wrote the drums, bass, keys and guitar parts, shaped with the conductor to support the choir
- Coordination and logistics: rehearsal timings, the band's rehearsals, the venue's technicians

Desluthiers · Les Luthiers tribute group 2012 – 2017
Stage and technical coordination; occasional guitar

- Lights and microphones; the link between the group and the venue's engineer

Software engineering

Freelance Nov 2026 – present
Software engineer

geomatico · Open-source software cooperative Oct 2023 – Oct 2026
Partner and senior engineer

- Built the service framework every backend here runs on, for both Django and FastAPI

xarvio · BASF Digital Farming Aug 2018 – Dec 2022
GIS engineer, geospatial backend lead

- Led the data pipeline from satellite imagery to prescription maps for farm machinery
- Co-led the backend's technical design; built the geospatial library every microservice used

Education

Degree in Composition 2025
Conservatorio Superior de Música Joaquín Rodrigo, Valencia

- Thesis: Musical creation as an algorithm

Computer Engineering, Master's level (Ingeniero en Informática) 2011
Universitat Politècnica de València

Professional music studies, guitar 2011
Conservatorio Profesional de Música de Torrent

Projects

imogen: plain-text scores editable by voice or language models, round-tripping MusicXML

scanterpoint: optical music recognition on Audiveris for real-world scans: PDF to MusicXML

Skills

Notation: Sibelius, MuseScore

Production: Cubase, Muse Sounds, SWAM

Instruments: Classical and electric guitar, keys (pads and simple parts in a band)

Languages: Spanish (native), English (fluent), Catalan (fluent)
